Minutes of Meeting

Coordinator of the Grievance Cell briefed members about the issue raised by some of the students regarding difficulties in reaching college on time due to unavailability of transport facilities in the local area.

The cell members deliberated on the issue raised by the students and agreed that this is a matter of concern since the college caters to the students residing in the peri-urban area. As the college is also located in the outskirts of Lalitpur City, transportation facilities are almost negligible. Girl students feel insecure to travel to and fro from their place of residence as they often have to stay back for extra-curricular activities, field work and lab work.
