Pahalwan Gurudeen Prashikshan Mahavidyalaya, Lalitpur (Uttar Pradesh)

Research & Development Cell (RDC)

1. Introduction

The Research & Development Cell (RDC) of Pahalwan Gurudeen Prashikshan Mahavidyalaya has been established in accordance with the guidelines issued by the University Grants Commission under the UGC Guidelines for Establishment of Research and Development Cell in Higher Education Institutions, 2022.

The RDC aims to promote a vibrant research culture within the institution by encouraging faculty members and students to engage in innovative research, academic publications, and collaborative projects. The cell facilitates the development of research capacity and supports the institution in achieving academic excellence and contributing to societal development.

2. Vision

To develop a strong research ecosystem that promotes innovation, academic excellence, and knowledge creation in the field of education and allied disciplines.

3. Mission

- To encourage research culture among faculty members and students.
- To promote interdisciplinary and collaborative research.
- To support faculty members in obtaining research grants and funding.
- To facilitate publication of research papers in reputed journals and conferences.
- To strengthen institutional research output and academic quality.

4. Objectives of the Research & Development Cell

The major objectives of the RDC include:

1. Promoting research and innovation among faculty and students.
2. Facilitating research projects funded by government and other agencies.
3. Encouraging publication of research papers in peer-reviewed journals.
4. Organizing seminars, workshops, and conferences on research methodology.

5. Developing collaborations with academic and research institutions.
6. Supporting intellectual property rights (IPR) awareness and research ethics.
7. Strengthening institutional capacity for research and development.

5. Functions of the Research & Development Cell

The Research & Development Cell performs the following functions:

- Identify research priorities aligned with institutional goals.
- Encourage faculty participation in funded research projects.
- Organize training programs on research methodology and academic writing.
- Facilitate publication of research papers and books.
- Promote collaboration with universities, research organizations, and industries.
- Monitor and document research activities of the institution.
- Promote ethical research practices and academic integrity.

6. Composition of the Research & Development Cell

The RDC consists of the following members:

S.N.	Name	Designation	Role in RDC
1	Prof.(Dr.) Mahesh Kumar Jha	Head/ Principal	Chairperson
2	Mr. Rahul Vishwakarma	Teaching Staff	Coordinator
3	Mr.Ganga Ram Vishwakarma	Teaching Staff	Member
4	Mr. Ram Lakhan Yadav	Teaching Staff	Member
5	Dr.Vijendra Srivastava	External Member	Member
6	Harshit Rawat	Student	Member

7. Major Activities of the RDC

The Research & Development Cell undertakes the following activities:

- Organization of national and international seminars, conferences, and workshops
- Faculty development programs on research and academic writing
- Encouraging interdisciplinary research initiatives
- Facilitating publication of research papers and books
- Promoting research collaborations with other institutions

8. Research Promotion Initiatives

The institution encourages research through the following initiatives:

- Support for faculty research publications
- Incentives for quality research output
- Facilitation of research funding proposals
- Promotion of student research projects

9. Ethics and Research Integrity

The Research & Development Cell promotes ethical research practices and ensures that all research activities follow academic integrity and plagiarism norms as prescribed by the University Grants Commission.

10. Expected Outcomes

Through the activities of the Research & Development Cell, the institution aims to:

- Increase the number of research publications.
- Promote innovative teaching and research practices.
- Enhance academic reputation and institutional quality.
- Contribute to knowledge creation and social development.
